

This has truly been a wonderful year representing the National Little Britches Rodeo Association. I want to thank everyone that has made this year possible and very memorable. I could not do this without Kimber and the ladies in the NLBRA main office, my sponsors, my friends and family. Thank you!!!

It is hard to believe that the finals are just around the corner and school is almost out. Now that rodeo is back in full swing, I hope everyone is practicing hard and having fun while at the rodeos.

Recently I had the privilege of going to the PRCA, Pioneer Days Rodeo in Guymon, Oklahoma. They allowed me to help with the kid's rodeo, talk to grade school classes, ride at the front of the parade, help with the mutton bustin and crowned the new Pioneer Days Rodeo Queen. My favorite part was riding in the stagecoach and helping with the raffle for the pink guitar that Ty Murray and Jewel signed. Over 10,000 dollars was raised to help with expenses for individuals that have cancer. Thank you Guymon Pioneer Rodeo Days committee and Ms Becky for treating so wonderful.

Until our rodeo paths cross, stay safe, practice hard and have fun!!!
